the year. Many of them have taken advantage of this opportunity and Arnold Orosco applied for a solo show opportunity and will have his first solo exhibit in the late fall.

Over 200 entries were received from all the local colleges and universities in Ventura County – many professors assisted their students by sending cars of student work to the competition.

The competition was a huge success due to the overwhelming support received by the community.

We look forward to your response, and if you have any further questions, please don't hesitate to call me.

Dear Art Lover,

**Buena Ventura Art Association** would like to invite you to become a sponsor of our second annual **“Who Got Framed?!”** fundraiser at the Harbor Village Gallery on Saturday, Sept. 8 from 6 – 9 p.m. **50% of the proceeds will go towards scholarships for Ventura County College art students.**

***This is the premise:*** Guests will be treated to sumptuous hor d’oeuvres and wine while trying to “guess” which artist painted or sculpted a particular piece. Too easy, you say? Well...this is a mystery/who-done-it fundraiser after all – all of the art will be covered up except for a tiny portion. If you guess the “mystery artist” your name will be put in a drawing for that piece and you’ll have the opportunity to bring home an original work of art!

Well...maybe you aren’t sure who the artist is – clues (including the infamous Smoking Gun clue) will be available for purchase as well.

Over 40 artists have donated works for this special event. However, an event of this type always needs helps from the community! We are looking for sponsors and would love for you to contribute to the “Who Got Framed?!” fundraiser.
